 (For information purposes only. Correspondence or phone calls will not normally be made to State or National Offices unless necessary.)

- (1) A: a VSO recognized by the United States Dept. of Veterans Affairs for claims representation, or, B: a veterans or veterans' family service membership organization that operates on a statewide or national basis and has been in existence for 12 months
- (2) A Member Organization subordinate or auxiliary body
- (3) An entity that provides to veterans or their families services or support veterans' goals or issues.

Donation _____

The UVC is a nonprofit coalition, comprised of over 49 Colorado Veterans Organizations. By-laws require that each organization has only one (1) VOTE on formal agenda issues. Each organization should designate one primary representative and one alternate. Some organizations designate a primary and more than one alternate, but still have only one vote. Designated representatives should be individuals who will attend scheduled meetings, and will vote in accordance with their organizational by-laws (not personal decisions or opinions.) Primary will cast vote if present. On normal house-keeping votes (non-agenda items) everyone present can vote.
